Friday rows are shaded gold. The gold edge marks the last ten days of Ramadan (days 21 to 30), when Laylat al Qadr is sought.
Dates depend on the official moon sighting in Malaysia. If Ramadan starts a day later, move each time down by one row. Imsak is a precaution about 10 minutes before Fajr; the fast begins at Fajr. Always confirm with JAKIM (www.e-solat.gov.my) and the Johor Mufti Department.
